Bid Protest; Protective Order.

## ORDER

On August 25, 2017, the court issued a Protective Order covering the parties in the above-captioned case. ECF No. 19.

Between August 25, 2017 and September 20, 2017, Mark Arena, a Senior Physical Scientist at Rand Corporation, Brian Persons, a Senior Management Scientist at Rand Corporation, and Eric Valle, a representative of the Section 809 Panel, requested to attend the September 20, 2017 Hearing in the above-captioned case, in connection with reports they are preparing for Congress.

Under these circumstances, the court required, and the parties agreed, that Mr. Arena, Mr. Persons, and Mr. Valle be subject to the same terms and conditions of the August 25, 2017 Protective Order.
